

1-1/4" Extension

Installation Instructions v.4.1

Note: This will only work with Garbage Commander products

Installation Videos

garbagecommander.com

or

[youtube.com](https://www.youtube.com)

B) Receiver Ext.
8" extension setting
Mount to outer holes

A) Receiver Mount Base
4" extension setting
Mount to center holes

5/8 x 3" Bolt with lock washer and nut
use to attach the 2" receiver base of
your
Garbage Hook securely to the new
extension

Attach the (A) receiver mount base to the (B) receiver extension

TOP VIEW: Use the 2) 1/4" x 3/4" bolts and insert them
thru both holes with the receiver mount base

BOTTOM VIEW: Use the 2) lock washer and nuts
Secure the components together tightly.

Warnings:

- Keep all nuts tightened
 - Do Not exceed 15 MPH, or 150 lbs.
 - Do Not carry passengers
 - Do Not use on public roads
- Turn off vehicle and put in park before attaching your Garbage Hook.

****Garbage Hooks are designed for towing,
DO NOT backup with cans attached. Damage may accrue****

**We suggest height between 14"- 21"
allowing for approximately 30% of the
cans weight to be resting on the
support arm**
